# ROCKSIDE 11 YEARS OLD

Kilchoman is situated on Rockside Farm, it is here we have grown barley for our 100% Islay range for the last 20 years. Rockside 11 Years Old, was distilled from barley grown on the farm over a decade ago. Once harvested, the barley was malted, peated, and distilled before being matured, and eventually bottled on site.

Lightly peated, and matured in a combination of ex-bourbon and ex-sherry casks, Rockside 11 offers a delicate balance of light smoke, tropical fruit, citrus sweetness, and mixed spices.

## GROWN

Rockside 11's journey began with individual grains of barley sown into the fertile fields surrounding the distillery.

## MALTED

Once harvested and dried in late summer, the barley was malted in 4 tonne batches on the traditional malt floor.

## PEATED

The 'green malt' was then smoked using Islay peat to create Rockside's distinct smoky flavours.

## MATURED

After a minimum of 11 years, a combination of ex-bourbon and ex-sherry casks were selected to create the perfect balance of light smoke, tropical fruit, citrus sweetness, and mixed spices.

## DISTILLED

In the stillhouse, the character created in the fields, on the malt floor, and during the peating process, was refined and distilled into a spirit ready for maturation.

## BOTTLED

Finally, Rockside 11 was bottled on site without added colour or chill-filtration, standing alone as Islay's only Single Farm Single Malt.

## Islay's Rockside

Neben den Flaggschiffen „Machir Bay“ und „Sanaig“ wird sich zukünftig die Farm-Edition „Rockside 11 Years Old“ in die Kilchoman Range einreihen. Jede Edition ist nach einem für Kilchoman bedeutenden Ort in der unmittelbaren Umgebung der Islay-Destillerie benannt. Die Brennerei Kilchoman befindet sich auf der Rockside Farm, wo Kilchoman seit über 20 Jahren die Gerste für ihre „100% Islay“-Serie anbaut.

Mit „Rockside 11“ beginnt nun ein neues Kapitel: Diese Edition tritt die Nachfolge der „100% Islay“-Reihe an und wird ausschließlich aus der eigenen Farm angebaute Gerste hergestellt. Dies markiert einen bedeutenden Meilenstein für Kilchoman, ein Moment, auf den die Familie Wills seit 2005 mit großer Hingabe hingearbeitet hat.
